Social media is a great way to spread your message:

- 1 Share your story. Explain why you've partnered with Gift a Tree. You can get some good ideas here: [gift-a-tree.com/tree-planting-rewilding](https://www.gift-a-tree.com/tree-planting-rewilding)
- 2 Share your certificates. Show people what you have donated to reduce your carbon emissions and to make the world a better place
- 3 Tag your friends and contacts each time you write a post about Gift a Tree
- 4 Share our social stories to help you gain a super green following. Let others know how they can make a difference too.
- 5 Share how others can join too. Together we can make a 'World of Difference'.
