

# School Eco Pack

Helping schools inspire environmental awareness through real-world tree planting projects.

Environmental education • Sustainability • Biodiversity • Tree planting

# Welcome

**Built from a personal journey and a  
desire to give something back.**

Thank you for downloading the Gift a Tree School Eco Pack.

Our mission is to help inspire children to connect with nature, understand sustainability and become part of meaningful environmental change through real-world tree planting projects. This pack contains simple ideas and resources to help your school begin its environmental journey.

**“We don’t just plant trees.**

We help children become part of something real.”

- Andy Fields  
Founder, Gift a Tree

# How Your School Can Help

## Choose Activities

Take part in eco activities, fundraising or sustainability projects.

## Raise Environmental Awareness

Help pupils understand biodiversity, forests and climate challenges.

## Help Plant Trees

Every pound raised helps support real-world tree planting projects.

**Creating Visible Environmental Action**

# Real Trees. Real Impact.

## £1 Raised $\approx$ 4 Trees Planted

Every £1 raised through your school activities can help fund the planting of approximately four trees in Tanzania.

These projects help:

- Restore landscapes
- Support biodiversity
- Improve local environments
- Inspire future generations

# Eco Activity Ideas
